Let Your Heart Do The Walking!

Invest in A Life!

A hundred years from now it will not matter what your bank account was, the sort of house you lived in, or the kind of car you drove. But the world may be different because you invested in the life of a child!

New Day, Inc. – A Faith Ministry

New Day is a faith ministry, dependent upon the free-will contributions of concerned individuals, churches, church organizations, civic and social groups, and businesses. New Day receives no federal, state, county or agency grants. Donations are tax-deductible as allowed by the IRS.

Thank You

We are thankful for the many gifts of love and faith that have enabled New Day to provide programs to thousands of people in the communities we serve. As a result, countless lives have been changed now and forever.

“The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord’s favor.”

Luke 4:18-19

*A Christian Ministry to Youth & Families
Johnstown – Altoona – Somerset - Windber*

The love of God and the power of the Gospel make it possible for New Day to provide Christian Counseling and Christ-centered programs for youth and families in need.

Purpose

New Day, Inc. is a Christian ministry to at-risk children, youth, marriages and families. Our purpose is to provide programs which meet spiritual, emotional, social and life-skill development needs in the lives of those with whom we work. New Day draws its purpose from the mission statement of Christ in Luke 4:18-19 and believes that a personal relationship with God through Jesus Christ meets the deepest needs of individuals.

Founded in 1978, New Day is a private, non-profit, charitable organization that serves Cambria, Somerset, and Blair counties and nearby communities.

Preventive in Nature

New Day's family-centered program is designed to be preventive in nature. Help is offered upon early signs of trouble for the sake of preventing deeper and more intensely destructive behavioral patterns.

Christian Orientation

The program of New Day is based on the Christian perspective of life. Principles of the Christian faith are presented as a decisive alternative to self-destructive forces. Individuals are encouraged to develop positive, meaningful relationships with self, society, and God.

New Day is open to explore the meaning of faith with those who are open to spiritual truth. No one is ever denied the services of New Day based on religious beliefs, race, color or creed.
